COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
August 13, 2014

TOPIC:

AGENDA ITEM #1 - Recommendation for Authorization to Dispose of School District Generated Surplus Furnishings and Equipment

BACKGROUND:

Through normal operations, the district generates surplus furnishings and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public school districts at costs equal to previous auction results

On line auctions

Negotiated contracts

Upon Board approval of the attached lists, the Financial Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment

ALTERNATIVES:

1. Approve the recommendation for authorization to dispose of school district generated surplus furnishings and equipment as detailed in the list on file in the Superintendent's office.
2. Do not approve the recommendation for authorization to dispose of school district generated surplus furnishings and equipment as detailed in the list on file in the Superintendent's office.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization to dispose of school district generated surplus furnishings and equipment as detailed in the lists on file in the Superintendent's office.

COSTS:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process.

RATIONALE:

The disposing of surplus in a timely manner will reduce labor costs and maximize return on investment.

AGENDA ITEM #7 - Recommendation for Authorization to Purchase Additional Buses from RFP 06-13, Buses

BACKGROUND:

RFP 06-13, Buses was developed to obtain pricing for the following bus configurations: 72-passenger conventional buses, 72-passenger buses with lifts, and 48-passenger exceptional child buses.

- Additional funding was received from Georgia Department of Education State Bond Funds. This funding along with SPLOST funds will allow CCSD to purchase 125 additional buses.
- The one hundred (100), 72-passenger conventional buses and twenty-five (25), 48-passenger exceptional child buses with lifts will assist in the replacement of conventional buses that are currently out of service and are not cost effective to repair.
- The Cobb County School Board of Education voted in 1990, to keep the school buses operating on daily routes in a ten (10) year cycle, but due to costs and budget restrictions, a fifteen (15) year cycle is realistic and within industry standards.
- CCSD currently operates 1,115 buses of which 527 buses are between ten (10) and fifteen (15) years old. There are 180 buses over sixteen (16) years old in operation.
- Funding for this additional purchase comes from SPLOST IV, and Georgia State Department of Education Bond funding.
