CALL TO ORDER

Mr. Scamihorn, Board Chair, called the meeting to order at 11:30 a.m.

TAX DIGEST PRESENTATION

Chief Financial Officer Mr. Bradley Reuben Johnson presented the following summary of the required three tax digest hearings.

Today's Tax Digest Hearing is a special hearing required by the state of Georgia. Each year property values are assessed by the Cobb County Tax Assessor, and the school district sets a millage rate that generates local revenue based on property value. The FY2022 Tentative Budget is budgeted to continue the same millage rate as the previous year of 18.90 Mills.

It is important to note that a completely separate entity (Cobb County Tax Assessor) assesses property values annually in Cobb County. If the Tax Assessor lowers the value of a Cobb Citizen's home, the district's millage rate will be applied to the lower value and that property owner will pay less property tax. If the Tax Assessor increases the value of a Cobb Citizen's home, the district's millage rate will be applied to the higher property value and that property owner will pay more property tax. In either case, the school district millage rate is still 18.90 Mills and the General Fund Millage Tax Rate has not increased.

Georgia Law currently contains a provision which was originally called the GA Taxpayers Bill of Rights, which states that in a year when the property value digest increases, school districts must hold three public hearings for citizen input due to the fact that even if the district's millage rate remains the same, the school district will receive additional property tax revenue because of the increased property values assessed by the Cobb County Tax Assessor.

The district is scheduled to conduct three (3) public hearings on this matter. The public hearing schedule is as follows:

- Hearing #1 – Thursday, July 8, 2021 at 11:30 a.m.
- Hearing #2 – Thursday July 8, 2021 at 6:05 p.m.
- Hearing #3 – Thursday, July 15, 2021 at 6:30 p.m.

The district is scheduled to establish the General Fund Millage Rate on Thursday, July 15, 2021, during the Voting Session of the Board Meeting.

COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
July 15, 2021

TOPIC:

AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

AGENDA ITEM #2 – Ed-SPLOST VI Resolution

BACKGROUND/RATIONALE:

The Cobb County School Board called a special election in 2017 to impose a one percent sales tax for the purpose of funding capital projects for the Cobb County School District, and voters approved the funding in the ensuing referendum. That Special Purpose Local Option Sales Tax (Ed-SPLOST V) is ending at the close of 2023. The District continues to have ongoing capital needs and projects, particularly in the renovation, modification and replacement of older facilities, but also in the purchase and refreshing of technological systems in the District. The resolution approving the call of a special election on November 2, 2021 for Ed-SPLOST VI provides the Board with the opportunity for funding to move forward with capital projects as outlined in the proposed Ed-SPLOST VI notebook. An election on this date, if approved, would allow the District to begin receiving Ed-SPLOST VI proceeds in January 2024. This Resolution is to provide for the calling of an election to determine whether to re-impose a one-percent sales and use tax to fund educational capital projects, and to provide that a certified copy of the Resolution with exhibits would be incorporated into the minutes of this meeting.

SUPERINTENDENT'S RECOMMENDATION:

Approve Ed-SPLOST VI Resolution calling for a Special Election on November 2, 2021.

AGENDA ITEM #8 – Adopt Resolution Establishing Millage

BACKGROUND/RATIONALE:

The 2021 School Tax Digest has been received from the Cobb County Tax Commissioners. Cobb County School District must establish the annual millage rate to fund the FY2022 Budget. The school district held three (3) public hearings in order to maintain the revenue generated by property digest growth and reassessments. The first and second public hearings were held on July 8, 2021 at 11:30 AM and 6:05 PM. The third public hearing was held on July 15, 2021 at 6:30 PM.

 277 enroll the student is different from the enrolling adult from the previous school.
 278 However, other records (i.e. health certifications, proof of birth, etc) are not required
 279 as this data is accessible in the District's database. Students who do not return
 280 books/materials issued from the previous school will be charged for those items until
 281 returned in good condition.

282 6. **Discipline Records/Status:**

- 283 a. Any student desiring to enter the District must be eligible for attendance at the school

309 case manager in which a process is used to discover whether any transition problems
310 exist and whether any services are necessary for a child placed by the DHS or DJJ.
311 b. The CMC process will be utilized each time a DHS or DJJ-placed child enrolls in a new
312 school.

313 **10. End-of-Year Enrollment:**

314 Students may enroll at any time during the school year except the last five days of school.

321 the duties and responsibilities of a parent such as providing food, shelter, clothing or medical
322 care).

- 324 1. Although not required for enrollment, guardianship can be obtained by contacting the Cobb
325 County Probate Court (Court) located at 32 Waddell Street, Marietta, Georgia 30090,
326 (770-528-1900). Information regarding this process is also available online at
327 <http://www.gaprobate.org>. The Court may require a fee for this process, but no fee will be
328 required if an affidavit of indigence is filed with the Court (see O.C.G.A. § 15-9-61).
- 329 2. Pursuant to the Supporting and Strengthening Families Act (the "Act"), O.C.G.A. § 19-9-

332 grandparent, stepparent, former stepparent, step-grandparent, aunt, uncle, great aunt,
333 great uncle, cousin, or sibling of such child or is a nonrelative who is approved as an agent
334 by a child-placing agency or a nonprofit entity or faith based organization for a period not
335 to exceed one year, except as provided in O.C.G.A. § 19-9-132, by executing a power of
336 attorney in substantial compliance with the Act.

347 (6) Loss of inhabitability of the student's home as the result of a natural disaster;
348 (7) Period of active military duty exceeding 24 months; or
349 (8) Cannot be located.
- 350 b. The enrolling party must have control and charge of the child, 24 hours per day and 7
351 days per week. The request to enroll the student cannot be primarily related to the
352 desire to attend a particular school in the District, nor may the request be for the
353 purpose of participating in athletics at a particular school, or for any other similar
354 purpose.
- 355 c. If the person presenting the student for enrollment is not that student's
356 parent/guardian, the school will require the enrolling person to fully complete a Kinship
357 Caregiver Affidavit (Form JBC-14) as part of the enrollment process. In accordance
358 with State law, the affidavit must be renewed annually (at the beginning of each school
359 year).
- 360 d. Upon submission of a Kinship Caregiver Affidavit, the kinship caregiver shall serve as
361 the school's point of contact.
362

378 of the student.
- 379 4. Students pre-registering are not eligible for Temporary Enrollment until the beginning of
380 the attendance period of the school term for which the student is enrolling.
