CALL TO ORDER

Mr. Scamihorn, Board Chair, called the meeting to order at 6:30 p.m.

TAX DIGEST PRESENTATION

Chief Financial Officer Mr. Bradley Reuben Johnson presented the following summary of the required three tax digest hearings.

Today's Tax Digest Hearing is a special hearing required by the state of Georgia. Each year property values are assessed by the Cobb County Tax Assessor, and the school district sets a millage rate that generates local revenue based on property value. The FY2022 Tentative Budget is budgeted to continue the same millage rate as the previous year of 18.90 Mills.

It is important to note that a completely separate entity (Cobb County Tax Assessor) assesses property values annually in Cobb County. If the Tax Assessor lowers the value of a Cobb Citizen's home, the district's millage rate will be applied to the lower value and that property owner will pay less property tax. If the Tax Assessor increases the value of a Cobb Citizen's home, the district's millage rate will be applied to the higher property value and that property owner will pay more property tax. In either case, the school district millage rate is still 18.90 Mills and the General Fund Millage Tax Rate has not increased.

Georgia Law currently contains a provision which was originally called the GA Taxpayers Bill of Rights, which states that in a year when the property value digest increases, school districts must hold three public hearings for citizen input due to the fact that even if the district's millage rate remains the same, the school district will receive additional property tax revenue because of the increased property values assessed by the Cobb County Tax Assessor.

The district is scheduled to conduct three (3) public hearings on this matter. The public hearing schedule was held as follows:

- Hearing #1 – Thursday, July 8, 2021 at 11:30 a.m.
- Hearing #2 – Thursday July 8, 2021 at 6:05 p.m.
- Hearing #3 – Thursday, July 15, 2021 at 6:30 p.m.

The district is scheduled to establish the General Fund Millage Rate on Thursday, July 15, 2021, during the Voting Session of the Board Meeting.

PUBLIC COMMENT

There were no public speakers.

ADJOURN – Without objection, the hearing adjourned at 6:36 pm.

AGENDA ITEM
August 19, 2021

TOPIC:

AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

8. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:
 - a. An employee of the District conditioning the provision of a District aid, benefit, or service on an individual's participation in unwelcome sexual conduct;

- b. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- c. "Sexual assault"- an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation; or
- (1) "Dating Violence"- sex-based violence committed by a person-
- (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (b) where the existence of such a relationship shall be determined based on a consideration of the following factors:
- 1) The length of the relationship.
- 2) The type of relationship.
- 3) The frequency of interaction between the persons involved in the relationship; or
- (2) "Domestic Violence"- sex-based violence which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or
- (3) "Sex-based Stalking" - engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
- (a) fear for his or her safety or the safety of others; or
- (b) suffer substantial emotional distress.
9. "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant and/or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. The District shall presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The grievance process will be followed before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Deputy Coordinator is responsible for coordinating the effective implementation of supportive measures.

B. GENERAL PROVISIONS:

1. The District shall respond promptly in a manner that is not deliberately indifferent when it has actual knowledge of sexual harassment against a person in an education program or activity.
2. The District shall require that any individual designated and authorized as a Title IX Coordinator, Deputy Coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
3. The District shall ensure that the Title IX Coordinator, Deputy Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, will receive training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process

including questioning, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

4. The District shall ensure that decision-makers receive training on any technology to be used during questioning, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant.
5. The District also shall ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. Any materials used to train the Title IX Coordinator, Deputy Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, shall not rely on sex stereotypes and shall promote impartial investigations and adjudications of formal complaints of sexual harassment.

C. REPORTING PROCESS:

1. ~~Reports or formal complaints may be verbal or written and may be made at any time (including during non-business hours), in person, by mail, by telephone, or by electronic mail.~~ **Any student who believes that he/she is or has been the victim of sexual or sex-based misconduct or has knowledge of such action perpetrated against another student should immediately report the alleged acts to any teacher, counselor, assistant principal, or principal. Any employee who receives a complaint by a student of sexual or sex-based misconduct must immediately report the complaint to the principal or to the assistant principal, if the principal is unavailable. The principal shall immediately intervene to eliminate sexual or sex-based misconduct and shall immediately report such offenses to the Title IX Coordinator or appropriate Deputy Title IX Coordinator.**
2. ~~Any student, employee, parent or other person wishing to report or file a formal complaint alleging a violation as described above shall promptly notify either the principal or the designated Title IX Deputy Coordinator. Any employee who receives information from a student alleging sexual harassment shall report it to the principal.~~ **Measures to be taken independent of receipt of a complaint shall include, but are not limited to:**
 - a. **Discussing the circumstances with the alleged victim;**
 - b. **Maintaining the anonymity of the alleged victim, if requested or deemed to be in the best interest of the involved parties;**
 - c. **Conducting an informal investigation to determine the validity of the allegations;**
 - d. **Advising the alleged offender of the complaint and directing him/her to cease the alleged objectionable behavior and any other behavior that may constitute sexual harassment;**
 - e. **Restricting contact between the alleged victim and the alleged offender.**
3. ~~If the alleged-offending individual is the principal, the report or formal complaint should be made by the complainant to the designated Title IX Deputy Coordinator.~~ **Other personnel who have knowledge of the occurrence of alleged sexual or sex-based misconduct shall immediately make a proper report of the alleged misconduct to the appropriate principal or assistant principal or to the appropriate Deputy Title IX Coordinator. If desired, students or their parents, or other persons acting on behalf of students may directly submit reports of alleged sexual or sex-based misconduct to the appropriate Deputy Title IX Coordinator. These reports should be provided in writing on the Title IX Complaint Form. Reports may also be made during face-to-face or telephone conferences with the Title IX Coordinator or Deputy Title IX Coordinator or his/her designee.**
4. ~~The principal, Deputy Title IX Coordinator, or the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The District shall treat complainants and respondents equitably by following this grievance process before punishing the respondent or providing remedies to the complainant. Remedies will be designed to restore or preserve equal access to the District's education program or~~

activity. Such remedies may include the same individualized services described as "supportive measures." However, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent. **The school administrators designated herein shall submit reports of alleged sexual or sex-based misconduct to the appropriate Deputy Title IX Coordinator, via transmission of a completed Title IX Complaint Form. The Complaint Form should be completed as soon as possible but no later than 48 hours after becoming aware of the incident. The Intake Form may be hand delivered or transmitted via telefax or electronic technology. The appropriate Deputy Title IX Coordinator shall review the facts presented and determine the appropriate formal or informal method of resolution, which is not necessarily limited to a formal investigation. In making this determination, the Deputy Title IX Coordinator may consult with the District's Title IX Coordinator and/or the Executive Director of Employee Relations as needed. The Superintendent, or the Board when appropriate, may appoint an individual outside the school system to investigate reports of sexual harassment.**

5. **As appropriate, the Title IX Coordinator, Deputy Coordinator, and/or Executive Director of Employee Relations, shall make a recommendation for resolution to the Superintendent based on the finding of formal or informal investigations or on proactive resolution efforts. The complainant his/her parents or guardians and the respondent or his/her parents or guardians will be informed of the resolution through an appropriate communication.**

D. INVESTIGATION OF REPORTS SANCTIONS:

1. When a complainant declines to proceed with a formal complaint under this Rule, and the Title IX Coordinator or Deputy Title IX Coordinator determines that proceeding without filing a formal complaint under this rule is not unreasonable under the known circumstances, the District shall still address the report in a way that is not deliberately indifferent. In addition to the measures outlined in (C)(4), if the report involves student misconduct as defined by the District's Student Code of Conduct, it shall be investigated and disciplined as appropriate pursuant to:
 - ~~Administrative Rule JCD-R (Student Conduct);~~
 - ~~Administrative Rule JCDA-R (Student Code of Conduct);~~
 - ~~Administrative Rule JCEB-R (Student Hearing Procedure);~~
 - ~~Administrative Rule JDD-R; and~~
- Student due process requirements under federal and state law.
Appropriate disciplinary actions will be taken against persons found to have violated this administrative rule. These actions shall include sanctions authorized by law, Board policy, the Civil Service Policy for Classified Employees, and the Code of Student Conduct and Discipline. These actions shall also include other measures designed to end sexual and sex-based misconduct and to prevent their recurrence. Due process rights shall be afforded to all affected persons, where appropriate.
2. If the report involves allegations of employee misconduct, it will be investigated and addressed appropriately in accordance with Administrative Rule JAA-R.
The Superintendent shall recommend that the Board terminate the employment of all personnel found to have sexually harassed students. Due process rights shall be afforded to all affected employees, where appropriate.
3. Any report involving allegations of possible violations of criminal law or constituting child abuse under O.C.G.A. 19-7-5 shall be promptly reported to the appropriate investigating authority, including law enforcement and DFCS. **The Executive Director of Employee Relations, or his/her designee, shall report all substantiated allegations of sexual or sex-based misconduct committed by certified personnel to the Professional Practices Section of the Professional Standards Commission. A recommendation for the revocation of the employee's teaching certificate shall be made to the PSC in all such cases. This agency has the authority to:**
 - **Issue warnings or reprimands;**
 - **Terminate, suspend, or non-renew contracts; and**
 - **Suspend or revoke teaching certificates.**

- 225 4. Sexual or sex-based misconduct perpetrated by students will not be tolerated in
226 the Cobb County School District. Appropriate progressive disciplinary and
227 rehabilitation actions will be taken to resolve the problem and eliminate the
228 possibility of its recurrence. These actions may include, but are not limited to:
229 • Student counseling;
230 • Family counseling;
231 • Specialized training;
232 • Referral to outside agencies (e.g., DFACS, mental health centers);
233 • Detention;
234 • In-School and Out-of-School suspensions;
235 • Development of specially designed research projects;
236 • Class or school transfer;
237 • Revocation of out-of-zone school assignments;
238 • Expulsions.
239 5. As appropriate, due process rights shall be afforded to students found to have
240 exposed other students enrolled in the Cobb County School District or employees
241 or other constituents to acts of sexual or sex-based misconduct.
242

243 **E. INVESTIGATIONS OF FORMAL COMPLAINTS APPEALS PROCESS:**

- 244 1. Upon receipt of a formal complaint, the District shall within 10 days provide the following
245 written notice to the parties who are known:
246 a. ~~Notice of the District's grievance process;~~
247 b. ~~Notice of the allegations potentially constituting sexual harassment, including sufficient~~
248 ~~details known at the time and with sufficient time to prepare a response before any~~
249 ~~initial interview. Sufficient details include the identities of the parties involved in the~~
250 ~~incident, if known, the conduct allegedly constituting sexual harassment, and the date~~
251 ~~and location of the alleged incident, if known. The written notice shall include a~~
252 ~~statement that the respondent is presumed not responsible for the alleged conduct and~~
253 ~~that a determination regarding responsibility is made at the conclusion of the grievance~~
254 ~~process. The written notice shall inform the parties that they may have an advisor of~~
255 ~~their choice, who may be, but is not required to be, an attorney, and may inspect and~~
256 ~~review evidence. The written notice shall inform the parties of any provision in the code~~
257 ~~of conduct that prohibits knowingly making false statements or knowingly submitting~~
258 ~~false information during the grievance process. The notice shall describe the range of~~
259 ~~or list the possible disciplinary sanctions and remedies that the District may implement~~
260 ~~following any determination of responsibility.~~
261 c. ~~If, in the course of an investigation, the District decides to investigate allegations about~~
262 ~~the complainant or respondent that are not included in the initial notice provided, the~~
263 ~~District shall provide notice of the additional allegations to the parties whose identities~~
264 ~~are known.~~

265 For Employee-Respondent matters, any determination by the Superintendent
266 may be appealed by the complainant or by the party or parties against whom
267 the complaint has been filed. Any appeal of the notification of a case must be
268 made in writing within 10 days of the date of the letter of determination. Any
269 such appeal to the Board shall set forth the grounds of the appeal and shall be
270 filed with the Superintendent, who shall transmit the same, with the record,
271 to the Board. The Board shall determine the appeal on the record, but may
272 hear the parties or receive additional evidence, as it shall deem proper. The
273 decision of the Board shall be final, subject to any appeal allowed by law.

274 2. **Dismissal of a Formal Complaint:**

275 The District shall investigate the allegations in a formal complaint. If the conduct alleged in
276 the formal complaint would not constitute sexual harassment as defined herein even if
277 proved or did not occur in the District's education program or activity or in the United
278 States, then the District shall dismiss the formal complaint with regard to that conduct for
279 purposes of sexual harassment under Title IX; such a dismissal does not preclude action
280 under another provision of the District's code of conduct.

a. ~~The District may dismiss the formal complaint or any allegations therein, if at any time during the investigation: A complainant notifies the principal, the designated Deputy Title IX Coordinator, or the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the District; or specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.~~

b. ~~Upon a dismissal required or permitted pursuant to this section, the District shall promptly send written notice of and reason(s) for the dismissal simultaneously to the parties.~~

For Student-Respondent matters, please refer to the District's Title IX Grievance Process (Form JCAC-3) for appellate procedures.

3. Consolidation of Formal Complaints:

~~The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references to the singular "party," "complainant," or "respondent" include the plural, as applicable.~~

4. Investigation of a Formal Complaint:

~~After providing written notice to the parties of the receipt of a formal complaint, the District shall have 15 days to investigate. When investigating a formal complaint and throughout the grievance process, the District shall:~~

a. ~~Assume the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility and not place such burdens on the parties provided that the District cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the District obtains that party's voluntary, written consent to do so;~~

b. ~~Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;~~

c. ~~Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;~~

d. ~~Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the District may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;~~

e. ~~Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate;~~

f. ~~Provide both parties an equal opportunity to inspect and review any non-privileged evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the District shall send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties shall have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report. The District shall make all such evidence subject to the parties' inspection and review available at any meeting to give each party equal opportunity to refer to such evidence during the meeting, including for purposes of cross-examination; and~~

- ~~g. Create within 5 days an investigative report that fairly summarizes relevant evidence, and at least 10 days prior to the determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.~~
- ~~h. If at any point in the investigation of reported sexual harassment of a student, the investigator determines that the reported harassment should more properly be termed abuse, the reported incident or situation shall be referred pursuant to the established protocol for child abuse investigation. Reported sexual harassment determined not to be sexual harassment as defined under Title IX may be investigated in accordance with the District's Student Code of Conduct.~~

5. **Questions:**

~~After the District has sent the investigative report to the parties and before reaching a determination regarding responsibility, the decision maker(s) shall afford a 10 day period for each party to have the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The District shall not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege. The decision maker(s) shall explain to the party proposing the questions any decision to exclude a question as not relevant.~~

6. **Determination Regarding Responsibility:**

~~The decision maker(s), who cannot be the same person(s) as the Title IX Deputy Coordinator, the Title IX Coordinator, or the investigator(s), shall, within 10 days of the conclusion of the question and answer period, issue a written determination regarding responsibility. To reach this determination, the District shall apply the preponderance of the evidence standard of evidence to formal complaints against students, to formal complaints against employees and to all complaints of sexual harassment. The written determination shall include:~~

- ~~a. Identification of the allegations potentially constituting sexual harassment as defined in this Rule;~~
- ~~b. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;~~
- ~~c. Findings of fact supporting the determination;~~
- ~~d. Conclusions regarding the application of the District's code of conduct to the facts;~~
- ~~e. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District imposes on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and~~
- ~~f. The District's procedures and permissible bases for the complainant and respondent to appeal.~~
- ~~g. The District shall provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.~~
- ~~h. The designated Deputy Title IX Coordinator is responsible for effective implementation of any remedies.~~

7. **Appeals:**

~~The District shall offer both parties 10 days after a decision for an appeal from a determination regarding responsibility, and from a District's dismissal of a formal complaint or any allegations therein, on the following bases:~~

- ~~a. Procedural irregularity that affected the outcome of the matter;~~
- ~~b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and~~
- ~~c. The Title IX Coordinator, the Deputy Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.~~
- ~~d. As to all appeals, the District shall:~~
 - ~~(1) Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;~~
 - ~~(2) Ensure that the decision maker(s) for the appeal is not the same person as the decision maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), the Deputy Title IX Coordinator, or the Title IX Coordinator;~~
 - ~~(3) Ensure that the decision maker(s) for the appeal complies with the training standards set forth in this policy;~~
 - ~~(4) Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;~~
 - ~~(5) Issue a written decision describing the result of the appeal and the rationale for the result; and~~
 - ~~(6) Provide the written decision simultaneously to both parties within 10 days of the receipt of the appeal.~~

8. **Informal Resolution:**

The District shall not require as a condition of enrollment or continuing enrollment or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this Rule. Similarly, the District shall not require the parties to participate in an informal resolution process and shall not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the District may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the District:

- ~~a. Provides to the parties a written notice disclosing: The allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;~~
- ~~b. Obtains the parties' voluntary, written consent to the informal resolution process; and~~
- ~~c. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.~~

9. **Recordkeeping:**

The District shall maintain for a period of seven years records of:

- ~~a. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity;~~
- ~~b. Any appeal and the result therefrom;~~
- ~~c. Any informal resolution and the result therefrom; and~~
- ~~d. All materials used to train Title IX Coordinators, investigators, decision makers, and any person who facilitates an informal resolution process. The District shall make these training materials publicly available on its website, or if the District does not maintain a website, shall make these materials available upon request for inspection by members of the public.~~
 - ~~(1) For each response required under the District's process for responding to a sexual harassment formal complaint, the District shall create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in~~

response to a report or formal complaint of sexual harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a complainant with supportive measures, then the District shall document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

F. CONFIDENTIALITY PROHIBITIONS:

The District shall keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by federal or state law or regulations, or to carry out the purposes of Title IX requirements, including the conduct of any investigation or judicial proceeding arising thereunder.

1. **Retaliation:**
Retaliation against individuals who file complaints of alleged sexual or sex-based misconduct or those who assist in the investigation of complaints of alleged sexual or sex-based conduct is expressly prohibited. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment. Appropriate disciplinary actions shall be imposed for verified acts of retaliation.
2. **Intentional False Reporting:**
3. **Students who knowingly fabricate allegations of sexual or sex-based misconduct shall be subject to disciplinary actions up to and including expulsion or termination.**
4. **Hindering an Investigation:**
5. **Individuals who withhold information, purposely provide inaccurate facts, violate privacy and confidentiality rules, or otherwise hinder an investigation of sexual or sex-based misconduct shall be subject to disciplinary action up to and including expulsion or termination.**

G. RETALIATION NOTICE:

1. Any reprisals or retaliations against person(s) filing a sexual harassment report or formal complaint or participating (or refusing to participate) in the investigation or resolution thereof are prohibited. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.
This rule shall be available online as part of the district's Title IX website.
2. Any employee who retaliates against such person(s) as a result of their participation in the process shall be subject to disciplinary action.
A Notice of Nondiscrimination, inclusive of the name, mailing address, and telephone number of the department responsible for system-wide compliance with nondiscrimination provisions shall be posted annually.
3. The exercise of rights protected under the First Amendment does not constitute retaliation.
4. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy does not constitute retaliation prohibited under subparagraph (a); provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

H. ~~TIME FRAMES~~ RIGHT TO ALTERNATIVE DISPUTE RESOLUTION PROCEDURES:

The District shall allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

These procedures do not deny the right of any individual to pursue other avenues of recourse, which may include, but are not limited to, mediation, filing a charge with the Equal Employment Opportunity Commission (EEOC), filing a complaint with the Office for Civil Rights (OCR), initiating a civil action, or seeking redress under state criminal statutes, policies, and procedures and/or federal laws.

I. ~~PUBLICATION AND NOTIFICATION~~ RETENTION OF RECORDS:

1. This Rule on sexual harassment and the procedure contained herein will be explained to all students. The District shall notify employees, students, parents or legal guardians, applicants for admission and employment, and professional organizations holding professional agreements with the District that the District does not discriminate on the basis of sex in the operation of its education programs or activities, including admissions and employment.

Subject to the provisions of applicable law, these records shall not become a part of any student permanent record file and may be reviewed only upon the approval of the Superintendent or his/her designee. Based on a legitimate need for access to the information contained in any file, the Superintendent will determine which individuals will have such access to the files on a case-by-case basis.

2. Acts of physical sexual harassment or molestation must be reported to the Cobb County School District Police Department who shall involve outside law enforcement and the district attorney's office as required by state law.

All official employee records shall be retained by the Employee Relations Department. However, any documents regarding disciplinary action arising from any investigation shall be included in the permanent record files and personnel files, as applicable, of the individual against whom the complaint was filed. Records will be retained for the maximum time allowed for redress through actions pursued by regulatory or judicial entities.

3. In accordance with Title IX, all students and employees will be notified of the title and contact information of the persons designated to coordinate the District's compliance with Title IX. This will be accomplished by including this information in the annual parent guide, the District website, through Human Resources and through other appropriate means.
4. Inquiries about Title IX and its implementing regulations may be referred to the District's Title IX Coordinator, to the Assistant Secretary of the U.S. Department of Education, or both.

~~J. FALSE CHARGES~~ CONFIDENTIALITY OF PROCEEDINGS:

Students or employees who knowingly make false charges of harassment may be subject to disciplinary action as well as any civil or criminal legal proceedings.

1. **In all cases, the highest degree of confidentiality allowed by law will be maintained by Cobb County School District employees to protect parties involved in investigations of sexual or sex-based misconduct.**
2. **Only those persons who have a need to know for purposes of the investigation or resolution of the complaint shall be informed of the case. Any individual who releases information relating to the complaint or the investigation during the course of the investigation shall be subject to disciplinary action up to and including termination.**
