COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
January 20, 2022

TOPIC:

AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

AGENDA ITEM #2 – Ratification of a Note Resolution Confirming the Acceptance of the Best Bid for the Purchase of \$100 Million of Short-Term Construction Notes

BACKGROUND/RATIONALE:

Construction and other SPLOST projects are currently scheduled and paid using SPLOST funds that are collected on a monthly basis throughout the year.

It is estimated that construction costs in Cobb County are increasing 4%-5% each year. By borrowing funds in advance of receipt of monthly SPLOST collections and starting projects at the beginning of a calendar year, it is estimated that construction projects could be accelerated and be less expensive resulting in substantial savings to the school district. Approval will allow SPLOST V construction projects to be bid earlier to capture savings in the current construction market. The acceleration plan proposes the issuance of \$100 million in short-term construction notes for calendar year 2022. The short-term construction notes will be due before December 31, 2022.

On December 9, 2021, the Board approved a resolution approving the issuance of request for bids for the purchase of \$100 Million on Short-Term Construction Notes.

The District's financial advisor, Professional Financial Management, Inc., and the District's bond counsel, Murray Barnes Finister LLP, have prepared documentation relating to the short-term construction note offering for the solicitation of competitive bids for the sale of the construction notes.

SUPERINTENDENT'S RECOMMENDATION:

Approve the resolution confirming the acceptance of the best bid for the purchase of \$100 Million of Short-Term Construction Notes.
