**COBB COUNTY BOARD OF EDUCATION  
AGENDA ITEM  
September 15, 2022**

**TOPIC:**

**AGENDA ITEM #1** – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

**BACKGROUND/RATIONALE:**

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

**SUPERINTENDENT'S RECOMMENDATION:**

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

**COST:**

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

**AGENDA ITEM #2** – Recommendation for Approval of the Local Plan for Vocational Education and One-Year Funding Application for FY2023

**BACKGROUND/RATIONALE:**

In accordance with the Carl D. Perkins V Vocational and Technical Education Act of 2018, it is necessary to develop and submit to the State Department an approved Local Plan and One-Year Application for state and federal vocational education funding. The amount of the basic grant for FY2023 is \$755,452.00. Approval of the Local Plan/One-Year Funding Application constitutes an agreement with the State to improve LEA performance on specific core indicators related to CCRPI and infused within Career, Technical and Agricultural Education (CTAE) programs, graduation rates, career pathway instruction/completion, attainment of credentials of value, and student participation/completion in nontraditional gender-based career pathway programs and Work-Based Learning. These funds will support program improvement of CTAE programs and services. Board approval of the plan must be recorded in the official minutes of the Board of Education meeting to receive state and federal funding. The Local Plan and its One-Year Funding Application are maintained on-line within the Georgia Department of Education's Consolidated Application Portal.

Board approval of this application is a routine part of the budgeting process to obtain available state and federal funding in support of Career, Technical, and Agricultural Education. Assurances required of the local Board of Education have been met in the development of this document.

## **Rules of Attendee Conduct for Public Meetings**

Pursuant to O.C.G.A. 20-2-58, these Rules of Attendee Conduct for Public Meetings are adopted by the Board in compliance with law to specifically address expectations for public conduct at Board meetings and to set forth consequences for failure to adhere to such expectations. In addition to the below, *see Board Policy BCBI for information generally addressing public participation in Board Meetings.*

### Expectations

The requirement that all meetings of the Board “shall be open to the public” does not prevent governing bodies from maintaining order at meetings. The Board Chairman has inherent authority to keep order and to impose reasonable restrictions for the efficient and orderly conduct of a meeting.

Members of the public will strive to conduct themselves in ways that demonstrate mutual respect, fair play, and orderly decorum. In particular, the District expects attendees will treat the Board, Cobb County School District employees, and other citizens with respect and courtesy, even when expressing disagreement, concern, or criticism about any issue or incident. As children have access to meetings and meeting broadcasts/recordings, the public is advised that the content of these meetings should be appropriate for all ages.

The Board does not allow:

- Use or display of language or gestures that are abusive, obscene, profane, vulgar, defamatory, or slanderous
- Blocking ingress or egress of any person
- Threats
- Jeers, shouting, or other disruptive noises
- Any other means an attendee may use to disrupt the meeting

Any attendee(s) disrupting or attempting to disrupt the meeting in any manner will be addressed. No attendee shall endanger others by acts of violence or abusive conduct. No attendee shall cause, provoke, or engage in any physical confrontation, fight, brawl, or riotous conduct so as to endanger the life, limb, health, or property of another. Any attendee(s) with signage that blocks or may block the view of others will be addressed.

### Remedial Action

Should any member of the public fail to abide by these Rules, the Board Chair or presiding Board member may take any of the following actions:

1. Remind the offender of the expectations.
2. Issue a verbal warning or direction.
3. Recess or adjourn the meeting for a period until order may be restored.
4. If a public attendee willfully and actually disrupts the meeting so as to render the orderly conduct of the meeting unfeasible, such person shall be subject to removal. In such case, the Board may, in consultation with the Board Attorney, issue a written notice prohibiting the attendee from defined actions, such as meeting attendance, for up to sixty (60) days.
5. Involve law enforcement in any potential violation of law, including but not limited to state and local laws addressing disorderly conduct.

6. Remove the Board to another location to complete the meeting or a portion of the meeting, while projecting the image and audio of the Board meeting to the public. As a general rule, the Board will attempt another method or methods to resolve the issue prior to employing this action.
7. Any other action in compliance with law to ensure the orderly conduct of school business during Board meetings.

Depending on the circumstances, the Board may take the above action in any order and is not bound to follow each step chronologically.
