# GARH-R Leaves and Absences 7/1/24 x/x/24

### **RATIONALE/OBJECTIVE:**

On occasion, Cobb County School District (District) employees will need to be absent from work due to legitimate reasons. This rule is established to guide employees in the proper actions necessary when absent.

### **GENERAL PROVISIONS:**

- 1. Daily attendance and punctuality are performance expectations for all employees and are included in each job description as a primary responsibility.
- 2. In the event that absence is necessary, employees are responsible for contacting their supervisor prior to the start of the workday. The specific call-in protocol for each school or department will be discussed and provided in writing to all employees.
- 3. Employees are expected to call in for each day of absence unless they are otherwise notified by their supervisor, or unless they are placed on an approved leave of absence.
- 4. Sick Leave is provided under state law to provide pay during absences related to medical issues for the employee or immediate family member, as well as for certain other absences.
- 5. Leave under this Rule may be approved for extended periods of absence that are required for medical or certain other reasons.

- c. Any new employee who has previously worked at another Georgia school district may transfer up to 45 days of unused Sick Leave to the District with verified documentation from the previous district. Such documentation must be provided within the first 90 days of employment with the District.
- d. Terminated employees do not earn Sick Leave for the final month unless they work all the scheduled days of the month.
- e. The maximum accrual is 120 days of Sick Leave.
- f. Employees are not paid for unused Sick Leave when they separate from employment.
- g. Unused Sick Leave will lapse when an employee separates from employment with the
  District unless the employee is re-employed within 12 months. However, if the
  employee's work schedule was less than 12 months, s/he will regain the Sick Leave if
  s/he returns to employment by the beginning of the work calendar following 12
  months. (

# 103104 **B. PERSONAL LEAVE:**

- Employees have Personal Leave which allows them to be absent with pay for up to three
   (3) days per school year for any reason. The District allows employees with 15 or more
   years of service to be absent four (4) days per school year.
- Personal Leave is deducted from available Sick Leave. If no Sick Leave is available,
   Personal Leave may not be taken.
- 110 3. Employees are required to give as much advance notice as possible for Personal Leave.
- 4. Requests for Personal Leave will be approved unless the day requested is considered a "critical needs" day at the school or work site and, therefore, attendance is crucial for effective operations. These days normally include pre- and post-planning, the initial and final work days of the semester, days immediately before and after a holiday break, and standardized testing dates. The Leadership and Learning Division will declare which days are District-wide Critical Days.
- a. Principals may declare school-specific Critical Days when faculty/staff attendance is deemed critical for the well-being of students, the academic success of the school, or in response to emergencies. Examples include, but are not limited, to:
  (1) Special events which create unstructured days for students (such as field days)
  - Special events which create unstructured days for students (such as field days) and/or bring large numbers of parents/guardians or other non-employees into the building;
    - (2) State or District mandated testing; and
    - (3) School, regional, or national disasters.
  - b. Principals/Supervisors may differentiate Critical Days for various employee groups such as certificated or classified.
  - c. School-specific Critical Days may not be declared in an effort to reduce the number of employee absences on days routinely characterized by high absenteeism, such as Mondays or Fridays.
    - d. Principals are to submit their non-emergency school-specific Critical Days to the appropriate Level Assistant Superintendent for approval. These days should be part of the annual plan for covering classes when substitutes are not available.
    - e. In emergency situations, Principals should confer with the appropriate Level Assistant Superintendent prior to declaring a school-specific Critical Day.
    - f. When emergency situations arise which necessitate an employee's absence for personal/professional reasons on District-wide or school-specific Critical Days, the Principal/Supervisor will approve or deny the request.
    - g. The Superintendent/Principal/Supervisor or designee may deny all requests for Personal Leave at any time that the actual or anticipated absences of a specific school/department/division on a given date reach 10% of the total staff.
  - 5. Requests for Personal Leave cannot be denied due to failure to disclose the reason for the absence.

145 It is the employee's responsibility to check with Human Resources/Benefits to determine 146 individual eligibility for Maternity/Paternity/Adoptive/Foster leave (Parental Leave), based on 147 the criteria set forth below.

# 148 1. Family and Medical Leave Act for Child Bonding:

- Eligible employees are allowed up to 12 weeks of unpaid leave under the Family Medical Leave Act (FMLA) for the birth and care of a newborn or the legal placement of a child with the employee for adoption or foster care ("child bonding") in accordance with Board Policy GBRIG and GBRIG-R.
- 153a. Use of Accrued Leave/Paid Parental Leave (PPL):154Delivering, non-delivering, adoptive, and foster parents must use accrued leave and155Paid Parental Leave (PPL) in order to be paid for absences related to156parental/adoption/foster care. The remaining FMLA weeks will be unpaid.
- b. As provided by law, the District requires that FMLA leave for child bonding be taken in a continuous block. If a delivering, non-delivering, adoptive, or foster parent chooses not to utilize the entire FMLA child bonding leave in a 12-week continuous block, s/he forfeits any remaining FMLA leave for child bonding. S/he does not forfeit any remaining FMLA leave for another qualifying event.
- 162 c. When both spouses are employed by the school system, the combined total amount of
  163 leave that may be taken because of the birth, adoption or foster care placement of a
  164 child and bonding with the child may not exceed 12 weeks during a 12-month period.

165 This restriction does not apply to leaves of absence occasioned by either spouse's own 166 serious health condition or that of their child.

#### 167 2. Paid Parental Leave:

- a. Eligible full-time employees of the District are eligible to request PPL in accordance 168 169 with O.C.G.A. § 45-20-17 and applicable guidelines implemented by the District for the following gualifying events: 170

- c. Employees who are eligible for PPL but not other leave provided under federal law may take PPL intermittently. If the employee is eligible for PPL and other leave provided under federal law, PPL must be taken concurrently with such leave.
  - d. The maximum amount of PPL that may be taken by any eligible employee during any rolling 365-day period is 240 hours, regardless of the number of gualifying events that occur within such period.
  - e. Documentation shall be required to establish the existence of a gualifying event in accordance with applicable guidelines implemented by the District.
    - f. No portion of any such leave that remains 365 days after the qualifying life event shall carry over for future use.
    - q. Unused PPL shall have no cash value upon separation of employment.
    - h. Requests for PPL shall be made to Human Resources/Benefits.

#### 190 **D. BEREAVEMENT LEAVE:** 191

In the event of the death of a family member, employees may be absent up to five (5) days. Any available Sick Leave must be used for purposes related to the bereavement.

- 1. For purposes of this section, "family member" includes the employee's spouse, children, 193 mother, father, brother, sister, grandmother, grandfather, grandchildren, the in-law and 194 step equivalents of same, and also any other relative living in the household of the 195 196 employee for whom the employee is legally responsible.
  - 2. While the District is sensitive to these situations, employees are requested to take no more time off than is necessary for travel, funeral services, and related activities.
- 3. If more than five (5) days of absence is necessary due to the death of a family member 199 such as for extended travel or estate duties - extended bereavement may be requested 200 for up to a total of 20 days. Employees should contact Human Resources/Benefits for 201 further direction. If days are not consecutive, the employee must make reasonable 202 attempts to schedule the days to minimize the impact on s/he work and to avoid being 203 204 absent on Critical Days. 205
  - 4. In the event of a death of someone outside the family members defined above, the employee may use up to one (1) day of Sick Leave for purposes related to the bereavement as well as any remaining Personal Leave.
  - 5. If no Sick Leave is available, the absence is unpaid.

#### 210 **E. OTHER ABSENCES:**

  - 1. The District may designate a physician to confirm the employee's ability to perform the job. This evaluation would be performed at District expense. The District will follow the determination of this physician.
  - 2. At the District's discretion, employees may be required to remain off work until the results of the evaluation are available. In such event, the employee may use available leave to pay for the time off work.
