Chastain, Cristadoro, Hutchins, Scamihorn, Wheeler, Ms. Davis, Ms. Sayler, Mr. Ragsdale, Executive Secretary, and Mrs. Wilcox and Ms. Ams, Board Attorneys.

All official meetings of the Cobb County Board of Education conform to state law and are open to the public. The minutes of this meeting are available for public review anytime during the regular office hours or on our website: www.cobbk12.org

CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Mr. Chastain, Board Chair, called the meeting to order at 6:31 p.m. and led the group in the Pledge of Allegiance.

TAX DIGEST PRESENTATION

Chief Financial Officer Mr. David Baker shared the Tax Digest Presentation with the Board.

It is important to note that a separate entity (Cobb County Tax Assessor) assesses property values annually in Cobb County. If the Tax Assessor lowers the value of a Cobb Citizen's home, the district's millage rate will be applied to the lower value and that property owner will pay less property tax. If the Tax Assessor increases the value of a Cobb Citizen's home, the district's millage rate will be applied to the higher property value and that property owner will pay more property tax.

Mr. Baker shared that this is the second tax digest hearing and is based upon the balanced FY2026 Budget that was approved by the Board on May 15, 2025, with the continuance of the same millage rate as the previous year of 18.7 Mills.

Georgia Law currently contains a provision which was originally called the Georgia Taxpayers Bill of Rights, which states that in a year when the property value digest increases, school districts must hold three public hearings for citizen input due to the fact that even if the district's millage rate remains the same, the school district will receive additional property tax revenue because of the increased property values assessed by the Cobb County Tax Assessor.

The district is scheduled to conduct three (3) public hearings on this matter. The public hearing schedule is as follows:

- Hearing #1 – Thursday, July 10, 2025, at 11:30 a.m.
- Hearing #2 – Thursday July 10, 2025, at 6:05 p.m.
- Hearing #3 – Thursday, July 17, 2025, at 6:30 p.m.

The district is scheduled to establish the General Fund Millage Rate on Thursday, July 17, 2025, during the 7:00 p.m. Voting Session of the Board Meeting.

TAX DIGEST PUBLIC COMMENT

There were 5 public commenters.

ADJOURN – Without objection, the hearing adjourned at 6:41 p.m.

COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
August 21, 2025

TOPIC:

AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

AGENDA ITEM #2 – Recommendation for Approval to Accept Grant Funding Awarded through the FY2026 Carl D. Perkins V Program Improvement Grant

BACKGROUND/RATIONALE:

The *Carl D. Perkins V Strengthening Career and Technical Education for the 21st Century Act* (2018), more commonly referred to as “Perkins V,” provides federal grant funding to support development of the local education agency’s career education, or CTAE, programs. Accepting the funding award requires the local education agency to focus on the improvement of student academic and technical achievement, strengthening connections between secondary and post-secondary education institutions, and developing a vision for career education that emphasizes current and emerging industry trends to identify local school CTAE program growth.

To determine the application of awarded funding, the local education agency is required to complete a comprehensive local needs assessment, or CLNA, every two years. Cobb’s present CLNA, which runs through FY2026, emphasizes expanding the local school work-based learning platform through the development of school-based enterprises, continues the expansion of local school career programs that mirror shifting regional workforce needs in high-demand industry sectors, improves middle school career lab equipment inventory to better align for student transition to high school programs, increases the number of local school programs earning industry certification to ensure programs exceed industry standard, and expands student opportunities to attain industry credentials of value in introductory and intermediate pathway courses that enhance the career portfolio. The grant funds also support the district’s improvement on specific core indicators for graduation rates, career pathway completion, and equal access for special population students in nontraditional pathway programs. The CLNA and FY2026 funding application are maintained on-line within the Georgia Department of Education’s Consolidated Application Portal.
