EXECUTIVE SECRETARY

COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
November 13, 2025

TOPIC:

AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

DISTRICT ADMINISTRATIVE RULE

IBB-R Charter Schools

1/16/25 x/x/25

RATIONALE/OBJECTIVE:

The Charter Schools Act of 1998, and as amended in 2005, permits a local school system to utilize the flexibility of a performance-based contract called a charter in order to increase student achievement through academic and organizational innovation. Petitions for charter schools within the Cobb County School District (District) must be approved by the Cobb County Board of Education (Board) and the State Board of Education.

RULE:

I. PETITION PROCESS

The District accepts charter school petitions for review that focus on performance-based student achievement. The charter petition must meet all applicable federal and state laws and district regulations policies, rules, and procedures, except for those subject to waiver under the Charter Schools Act. The charter petition must demonstrate how the curriculum, instruction, and accountability programs combine to create an innovative, unique opportunity for student learning which does not duplicate existing District programs or exist in any District school(s).

A. GENERAL PROVISIONS:

1. Letter of Intent:

A one-page, double-spaced letter of intent is required to introduce the school's vision, mission, grade levels, anticipated number of students, originality and inventiveness to improve student academic achievement and behavior as prerequisite to the submittal of petition. **All applicants, including renewal applicants, who intend to submit a charter petition for local board of education Board consideration, shall use the Office of Charter School Compliance (OCSC) letter of intent template.** This letter of intent for start-up, conversion, and renewal petitions shall be submitted to the Assistant Superintendent of Accountability, Research & Grants in accordance with the charter petition cycle as published on the District website and as required by State Board Rule.

2. Requirements for Start-Up Charter and Conversion Petitioners:

- a. ~~Pre-petition Process:~~ In addition to the requirements for charter petitions in this rule, petitioners seeking to submit start-up charter petitions must participate in the pre-petition process as follows: (1) Start-up charter petitioners must participate in **the Petitioner training as provided by the District** regarding petition requirements.; (2) Start-up charter petitioners must submit a proposed draft petition to the District in accordance with the charter petition cycle. The District will review the proposed draft petition and make recommendations for revisions for the actual petition to be formally submitted to the District by the date listed on the charter petition cycle.
- b. (3) Conversion and renewal charter petitions may, but are not required to, take advantage of the pre-petition **process training** as described above.
- c. **Additional petition requirements for conversion charter school petitioners which are outlined in SBOE Rule 160-4-9-.05.**

3. **Charter Petition:**

 - (b) If the petition demonstrates how the curriculum, instruction, and accountability programs combine to create an innovative, unique opportunity for student learning which does not duplicate existing District programs or exist in any District school(s).
- (2) Upon the completion of the initial review, the Committee shall submit **feedback on** the petition to the Assistant Superintendent of Accountability, Research & Grants to provide a written statement to the petitioner indicating which of the following four groups the petitioner is in and, if appropriate, what they must do if they wish to revise and resubmit their application.

- iv. Applicants in this category are free to submit a **brand-**new application in the following school year's Petition Review Cycle.

(b) **Revision Group:**

- i. The Assistant Superintendent of Accountability, Research & Grants shall issue a letter informing the applicant that they cannot be considered for an approval recommendation unless the required material revisions are made within thirty (30) days. This letter shall include mention of the District's agreement to the petitioner's granting the District ninety (90) additional days to accept or reject its petition.
- ii. If an applicant chooses to make the substantial and material changes required, they shall resubmit their petition within the thirty (30) day window. Their resubmittal letter shall include mention of their granting to the District ninety (90) additional days beyond the initial 90-day review period to accept or reject their petition.

136 (5) Submit the petition to the Board's attorney for review; and
