**COBB COUNTY BOARD OF EDUCATION**  
**AGENDA ITEM**  
**April 23, 2026**

**TOPIC:**

**AGENDA ITEM #1** – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

**BACKGROUND/RATIONALE:**

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

Online auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

**SUPERINTENDENT'S RECOMMENDATION:**

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

**COST:**

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

**TOPIC:**

**AGENDA ITEM #6** – Modification of the FY2026 Budget for Funding Associated with the \$2,000 Bonus for All Non-Temporary Employees

**BACKGROUND/RATIONALE:**

Governor Kemp’s Amended FY2026 budget recommendation includes \$366,984,504 in additional state funds to provide grants to the state’s K–12 entities for \$2,000 salary supplements aimed at supporting educator and support staff retention. Grant amounts for each district were calculated based on the number of certified and support positions earned through the Quality Basic Education (QBE) formula, as well as other specifically identified positions. Districts commonly staff above or below formula-funded levels for both certified and non-certified roles due to class-size decisions and the use of federal or local funding.

The Superintendent has requested a modification to the FY2026 General Fund budget to provide a \$2,000 one-time bonus to all current, non-temporary employees. The total cost of \$30,305,268 will be partially offset by \$22,700,330 in additional revenue provided by the Governor for employee bonuses. While the Governor’s funding is tied to specific positions, the Superintendent recommends extending the bonus to all non-temporary employees, regardless of funding source, to support the district’s commitment to being One Team.

**SUPERINTENDENT'S RECOMMENDATION:**

Approve the modification of the FY2026 budget for funding associated with the \$2,000 bonus for all non-temporary employees.

**COST:**

*FY2027 Budget*

At this time, administration requests that the Board tentatively approve the FY2027 budget in order to enable the budget to be advertised as required by CCSD Board policy. Administration will request final Board approval of the budget on May 14, 2026. The budget submitted is summarized below.

*Estimated Rollback Millage Rate*

Current legislation requires the District to calculate and submit an Estimated Rollback Millage Rate to the County Tax Assessor and the County Tax Commissioner. In coordination with the FY2027 Tentative Budget approval, Administration is also requesting Board approval of the Estimated Rollback Millage Rate.

**SUPERINTENDENT’S RECOMMENDATION:**
