_____ _____

CHAIRMAN **EXECUTIVE SECRETARY**

COBB COUNTY BOARD OF EDUCATION
AGENDA ITEM
November 12, 2026

TOPIC:
AGENDA ITEM #1 – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

BACKGROUND/RATIONALE:
Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws**. The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:
Public auction
Sealed bid or private sale
The State of Georgia Department of Administrative Services on-line and public auction services
Sale to other public-school districts at costs equal to previous auction results
Online auctions
Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

SUPERINTENDENT'S RECOMMENDATION:
Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

COST:
The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

AGENDA ITEM #2 – Recommendation for Approval of the Unified Literacy Plan (ULP) for FY2027

BACKGROUND/RATIONALE:
House Bill (HB) 1193 defines a Unified Literacy Plan as a comprehensive, evidence-based framework for coherent, aligned, and continuous literacy development for learners from birth through career readiness. At minimum, the Unified Literacy Plan must establish measurable literacy goals for all tested grade levels using statewide assessment results and approved universal screener data. The plan should include explicit strategies for collaboration with early learning providers for children from birth to age five and establish literacy transition plans for the transition from kindergarten to elementary school.

House Bill 1193 requires each local board of education to approve its district's Unified Literacy Plan by January 1, 2027.

SUPERINTENDENT'S RECOMMENDATION:
Approve the Unified Literacy Plan for FY2027.

AGENDA ITEM #15 – Recommendation for Adoption of Revisions to Board Policy JBC (School Admissions) in Section J, Students, of the Policy Manual of the Cobb County Board of Education, regarding non-resident students

BACKGROUND/RATIONALE:
It is the belief of the Cobb County School District (District) that the quality of education provided by all of Cobb's schools should be available to all eligible students, including public school students enrolled in other systems, home study students, and private school students, to the extent permitted by state and federal law.

Current board policy limits non-resident students to the District's virtual school program.

The Strategy and Accountability division recommends changes to Board Policy JBC (School Admissions) to provide opportunities for non-resident students to enroll as tuition students at District schools with available seats.
