TOPIC:
AGENDA ITEM #15 – Recommendation for Adoption of Revisions to Board Policy JBC (School Admissions) in Section J, Students, of the Policy Manual of the Cobb County Board of Education, regarding non-resident students

BACKGROUND/RATIONALE:
It is the belief of the Cobb County School District (District) that the quality of education provided by all of Cobb's schools should be available to all eligible students, including public school students enrolled in other systems, home study students, and private school students, to the extent permitted by state and federal law.

Current board policy limits non-resident students to the District's virtual school program.

The Strategy and Accountability division recommends changes to Board Policy JBC (School Admissions) to provide opportunities for non-resident students to enroll as tuition students at District schools with available seats.

SUPERINTENDENT'S RECOMMENDATION:
Adopt the proposed revisions to Board Policy JBC (School Admissions) in Section J, Students, of the Policy Manual of the Cobb County Board of Education, regarding non-resident students.
